

The CANUCK

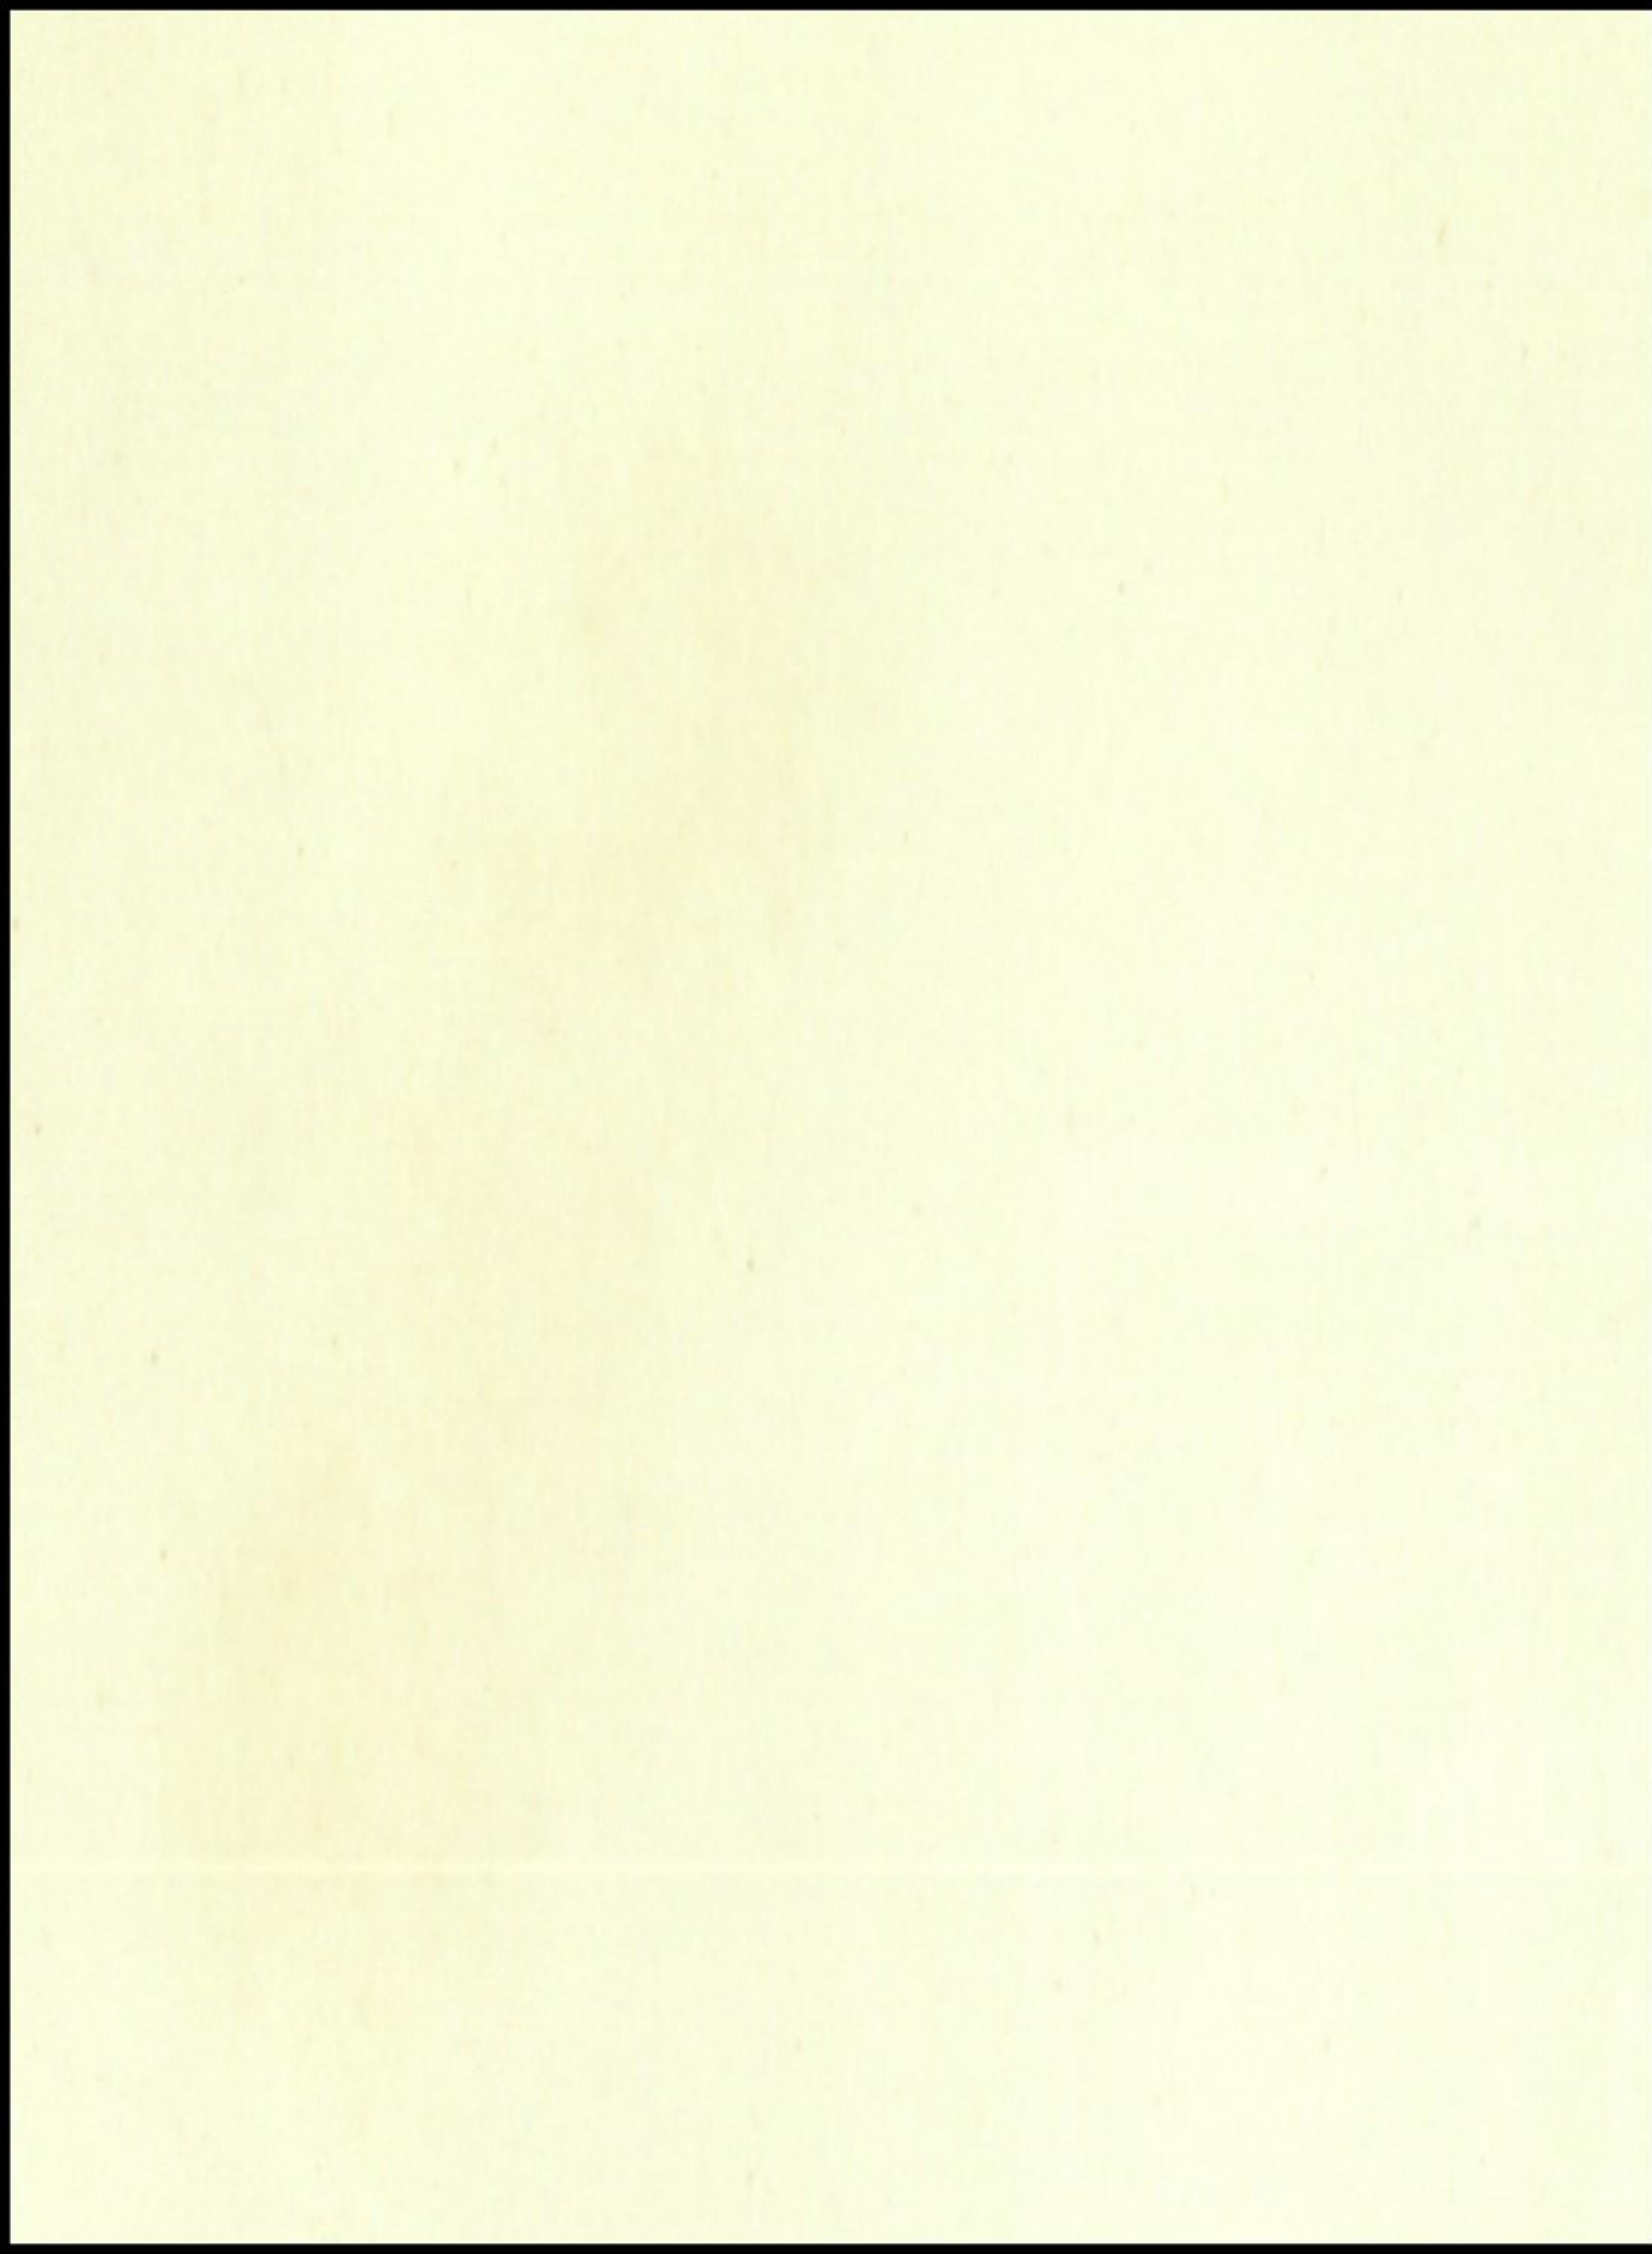

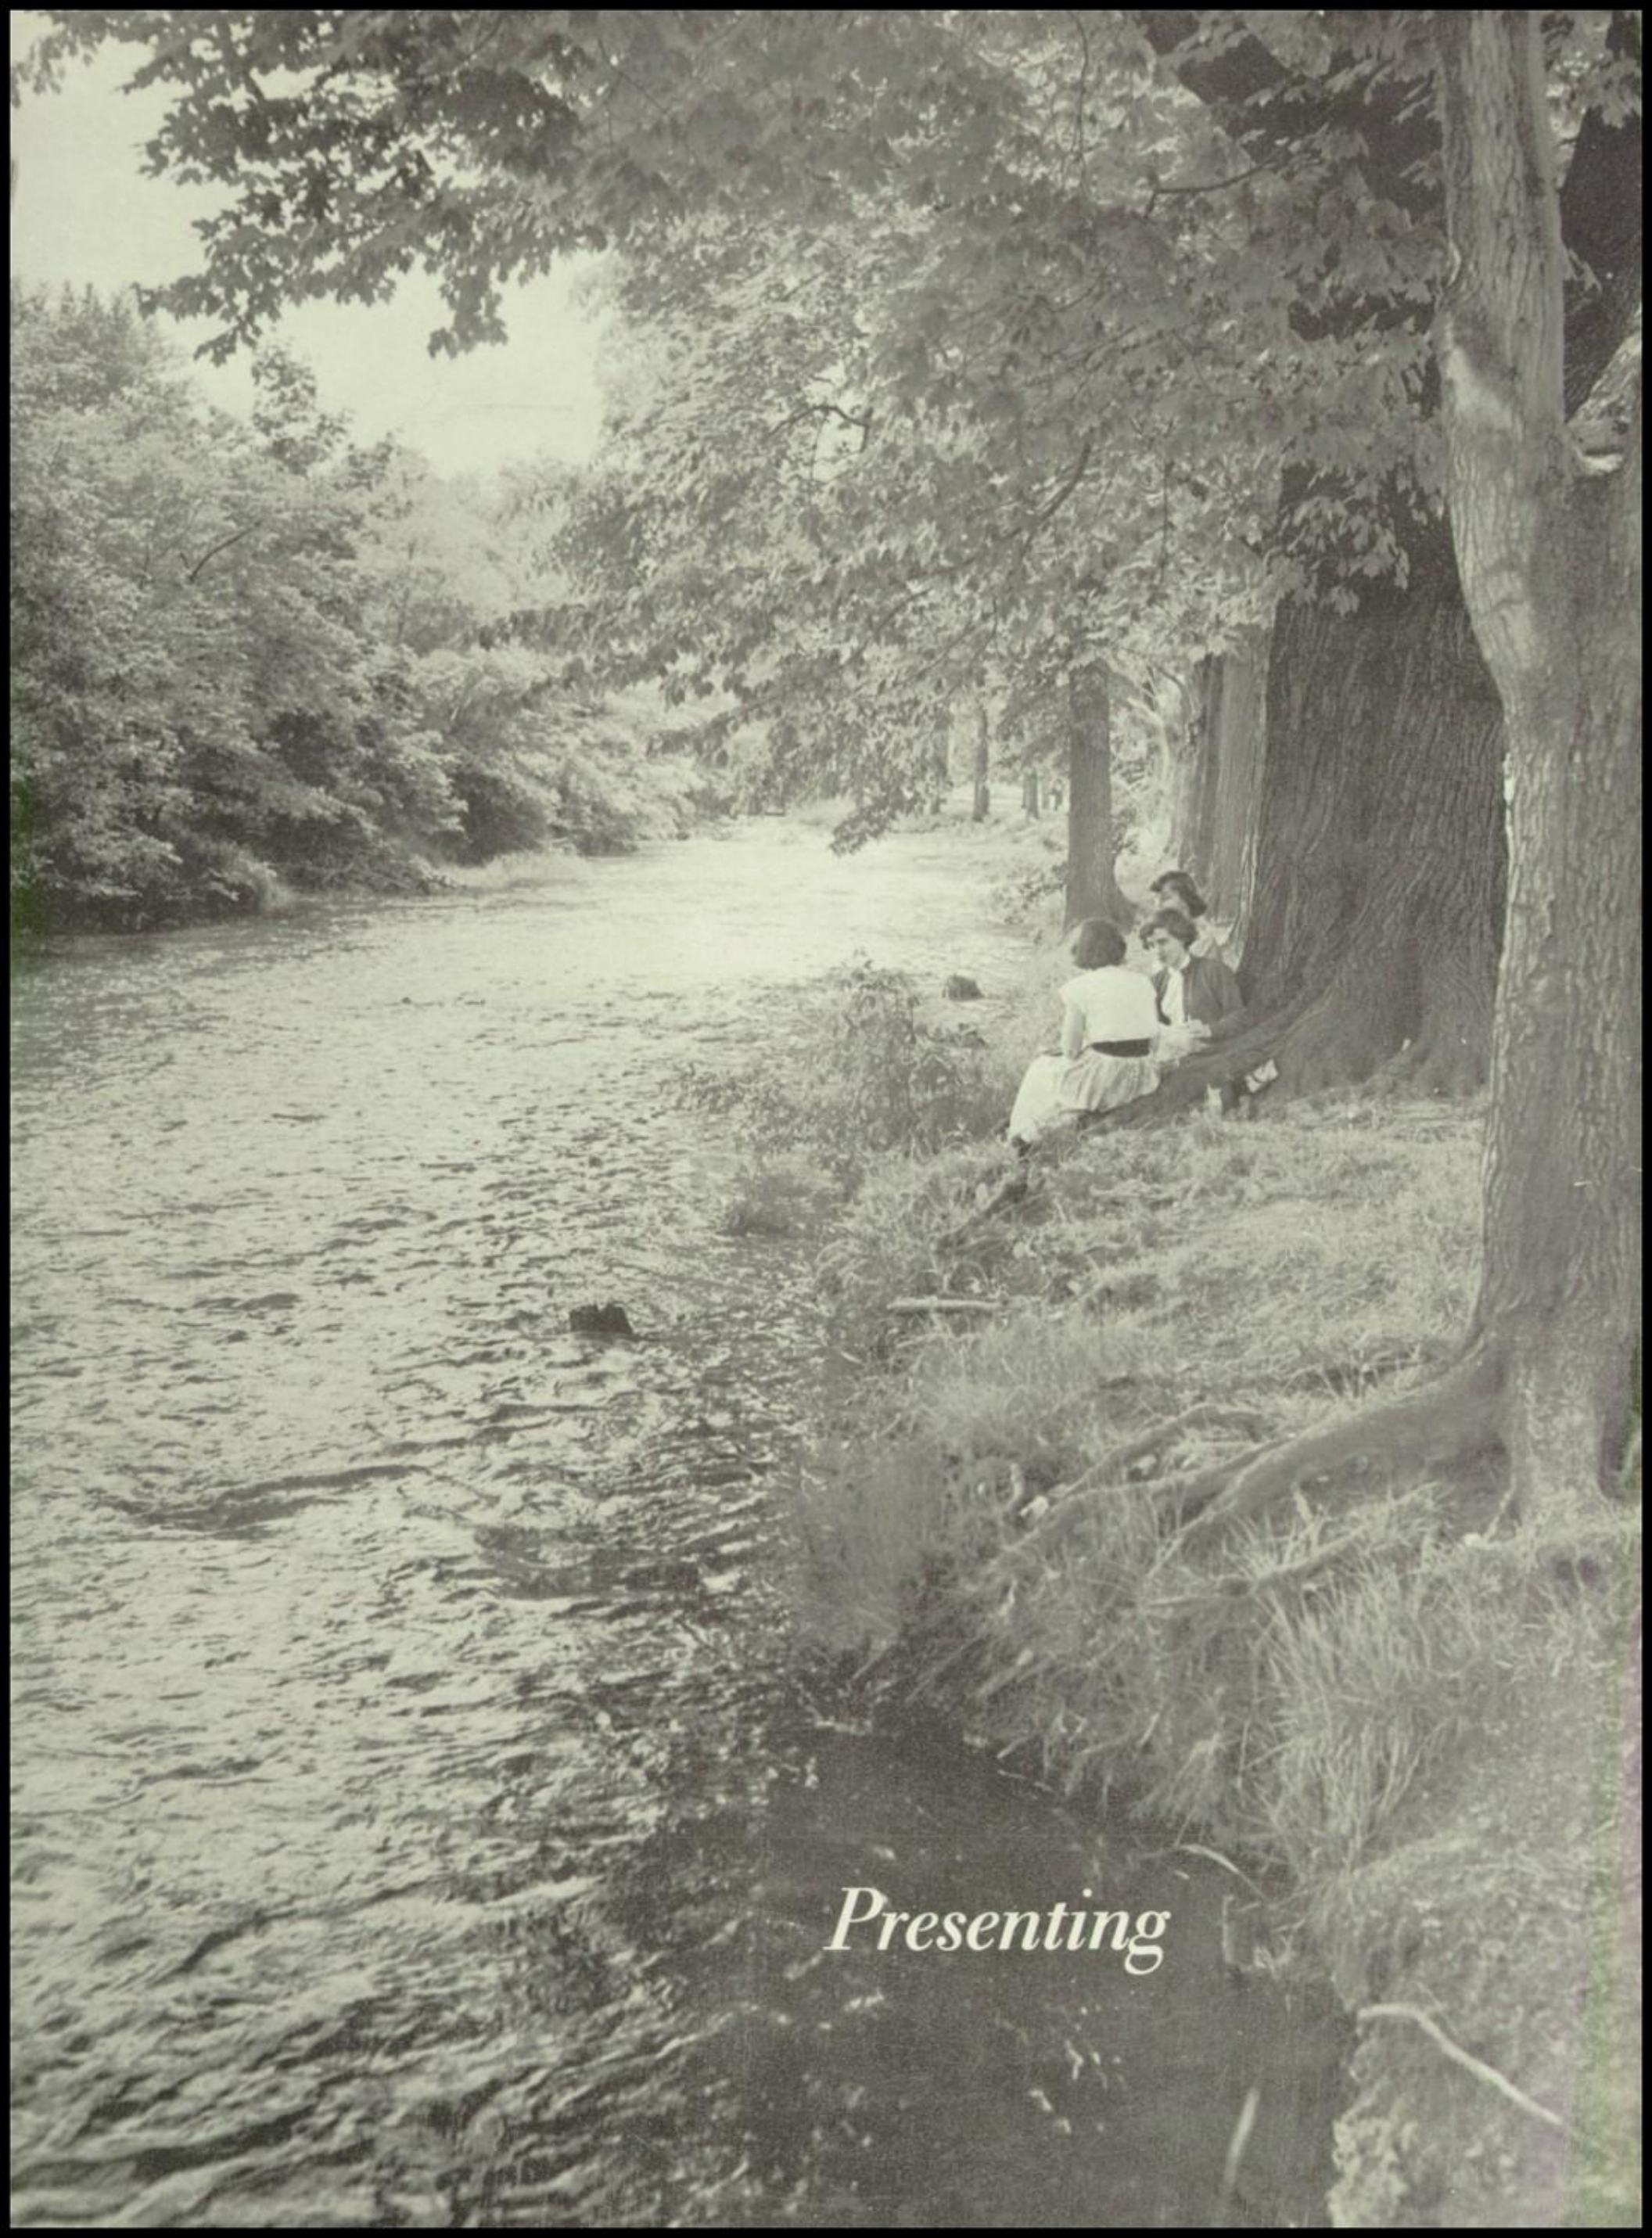

1954

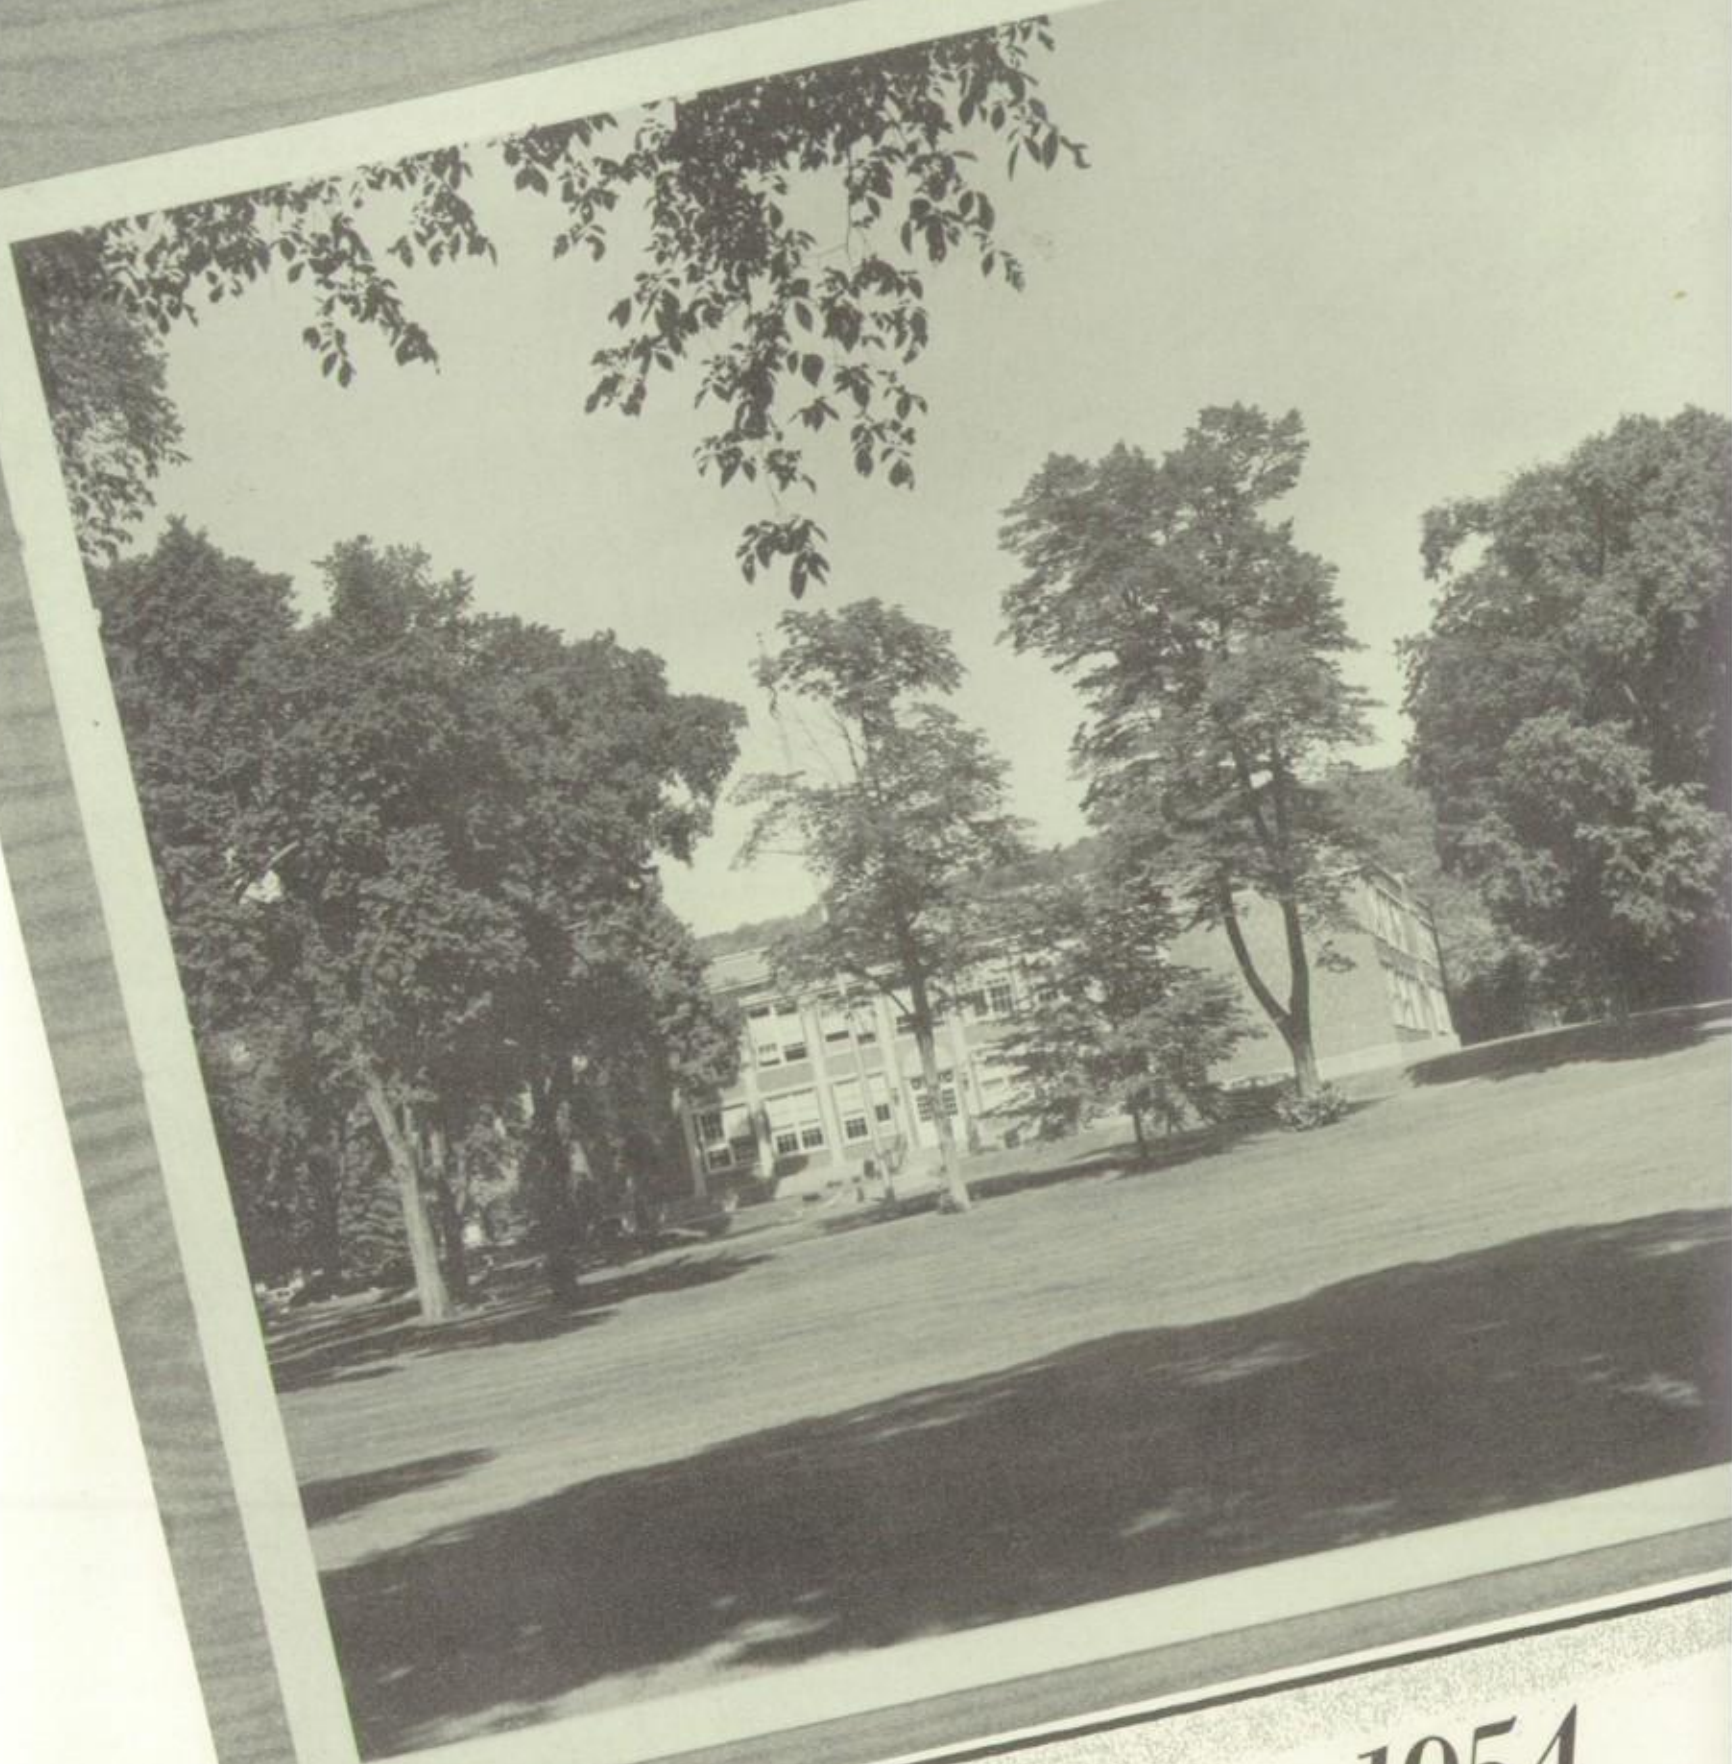

DRAWN BY
Robert Kent

Presenting

The Canuck • 1954

FOREWORD

Since North Plainfield High build character, leadership, and ability in its students, "Building" has been chosen as the theme for the '54 Canuck.

This theme is made still more appropriate by the fact that an addition is being built to our school this year.

Best wishes
from Eunice M. Curtice

We Inscribe the Cornerstone . . .

IN DEEP GRATITUDE we dedicate our book to
MISS EUNICE CURTICE,
who has for many years
served North Plainfield High
School as our Assistant-Principal.

North Plainfield will have
lost a wonderful personality
and the students a real friend
when Miss Curtice leaves.

Administration • Faculty
THE ARCHITECTS SET TO WORK OVER THE VAST PLAN.

DR. JAMES B. McQUOWN

“Yesterday we had as principal of North Plainfield High School a man who had dedicated his life to the improvement of educational opportunities for American youth. In the brief time he served as our principal he labored incessantly and wisely for the betterment of your school. As we worked with him we observed that every decision he made was in terms of what seemed best for the greatest number of our students. Relatively few high school students will ever have the opportunity of working with a man of Dr. McQuown’s high principles and devotion to duty. Now that he will no longer be with us physically, let us be thankful that we have had his leadership and let us continue to try to build here the kind of school he wanted for us.”

DR. THURMAN H. BARE
October 22, 1953

DR. THURMAN H. BARE
Superintendent of Schools

DR. WARREN G. DAVIS
Principal

*Best wishes
Warren M Davis*

Evaluation of Our Progress

As shaky freshmen we began our high school life . . . Our first activity was the Leadership Group which produced our freshman class officers: President, Doug Reina; Vice President, Tom Liddle; Secretary, Janice Wegener; Treasurer, Larry Swenson . . . We had planned to have a dance called the "Robin Hop", but we got off to a bad start and the "Robin" never hopped.

A skating party started our sophomore year with \$119 in the treasury . . . "Da Dog Patch Drag" added more to our growing treasury . . . Then came that glorious day when we ordered our class rings . . . We were about to become Upperclassmen!

Mrs. Mayer left us as a class adviser at the beginning of our junior year, but Mrs. Wolff, our new adviser, proved to be just as efficient . . . Candy and pennant selling with the participation of the class in the Fashion Show helped us to raise money for our Junior Prom . . . "Stairway to the Stars," our Prom, left us with a wonderful memory, thanks to the hard-working committees . . . The resignation of Mr. Withers caused surprise and a rising curiosity as to who would be our new principal.

When school opened we found our new principal, Dr. McQuown, to be a capable and very pleasant person . . . His death came as a sudden shock and caused extreme sorrow . . . We were pleased and proud that Dr. Davis, a colleague of Dr. McQuown, came to take his place . . . Our senior class officers—President, Larry Swenson; Vice President, Bob Kinsley; Secretary, Sally Beckwith; Treasurer, Tony Bradbury—had to undertake many tasks as the year was crowded with numerous activities . . . To start the year off our senior dance, the "Platter Party," began the year's social events . . . Our booth at the Canuck Fair will never be forgotten . . . The Senior Assembly and Bow Day were enjoyed by all who worked to make them a success . . . The school was run competently by members of our class on Senior Day, but our experiences on the Washington Trip will always be the most unforgettable . . . The last minute rush of organizing Class Night, fitting caps and gowns, and practicing for Graduation added to the usual mix-up at the end of the year . . . Finally that wonderful, but sad, day arrived—Graduation . . . Though unhappy to be leaving N.P.H.S., we look forward to the future . . .

Canucks' 2nd Triumph

North Plainfield High Cagers Win Eighth Straight

Canucks Triumph, 52-43,
Over Bernards Quintet

These ancient Roman keys are shaped in many different ways. No one key could open all the locked doors in Rome. And no one career will bring happiness to everyone. Perhaps your key to the future is medicine — or house-keeping — or plumbing — or law. Whatever it is, if it makes you happy, it's the right key.
